DECLARATION AND PETITION FOR PATENT APPLICATION.

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe that I am an original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention titled

GENERATOR WITH OUTPUT OPTIONS AND LOW LOSS WINDINGS.
the specification of which is attached hereto.

I hereby state that I have reviewed and understand the claims.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with title 37, Code of Federal Regulations, 1.56 {a}.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made of information and belief are believed to be true; and further these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

I pray that Letters patent be granted to me for the invention or discovery described and claimed in the above referenced specification and claims, and I hereby subscribe my name to said specification and claims and to the foregoing declaration, and this petition.
